intimus AutoShred 140 CP4

FULLY AUTOMATIC OFFICE SHREDDER

Up to 3 users

P-4 | Powerful autofeed shredder with sheet capacity of 140 sheets and a bin volume of 20 litres

Shredding material:
- Paper with staples and paper clips
- Plastic card

START. LOAD. AND LEAVE. DONE!

Autofeed shredders are changing the way we dispose of documents. The intimus AutoShred 140 CP4 shreds 140 sheets of paper automatically, saving time and effort compared to manual feeding. This innovative technology increases productivity and efficiency in busy office environments. Users can multi-task while documents are securely shredded. With an intimus AutoShred, you can focus on more important tasks. The **intimus AutoShred 140** combines an impressive 60 minutes runtime with a high cutting speed, shredding up to 140 sheets in under 4 minutes for maximum efficiency. The small size and 20-litre waste bin of the makes it perfect for home offices or small offices.

KEY FEATURES

- Complies with security level P-4 standards, meeting DIN 66399 (ISO/IEC 21964) with a particle size of 4 x 12 mm.
- Autofeed function accommodates up to 140 sheets of 80 g/m² paper, including paperclips and staples.
- Securely shreds credit cards.
- Operates quietly with a low noise level of 54 dB(A), ensuring a peaceful work environment.
- Enhanced mobility with effortless movement on castors for added convenience.
- Features a spacious and easily removable 20-litres waste bin, capable of holding up to 380 sheets of paper.
- An automatic start/stop, overheat protection, bin full sensor, auto-reverse and clever anti-paper jam technology ensure a particularly long operating time of 60 minutes without interruption.
- Once the work is done, it switches off automatically after 5 minutes
